

Anfield Road Primary School PE & Sports Funding 2014-2015

Primary School's Sports Funding

The Government is providing funding of £150 million per annum for academic years 2013/14 and 2014/15 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. All schools will receive a lump sum of £8,000 plus a premium of £5 per pupil for the next two academic years.

For the academic year **2014/15** Anfield Road Primary received **£14,316** PE and Sports grant. This was made up of the £8000 lump sum plus £5 each for the pupils in Year 1 to Year 6 (January 2014 census).

Purpose of Funding

Schools will have to spend the funding on improving their provision of PE and school sport, but they will have the freedom to choose how they do this.

2014/15 – Allocation £14,316	
To raise the quality of teaching PE and sport in school, ensuring that standards are at least good at Anfield Road Primary School we will:	
	Costs
Hire qualified sports coaches to work alongside teachers when teaching PE We will continue to organise for specialist coaches to come into school, provided by links with NLA our local feeder secondary school and Liverpool FC foundation. Our teachers will observe and participate in the sessions to develop their own skills so that they can then teach this area themselves, once the coach has completed their course of teaching. We will pay for an external provider to train staff with their classes with either a whole school approach to a particular area or tailoring the training to individual teachers' needs. Not only will the children benefit from being taught by a specialist coach but our own staff will be developed through sharing good practice and assisting in the PE lessons.	No cost due to funding from LFC foundation.
